

## DREAMS AND REALITY

Masterpieces of Painting, Drawing & Photography  
from The Musée d'Orsay Paris, at the  
National Museum of Singapore

The exhibition will showcase over 140 Salon, Realists, Impressionists and Post-Impressionists paintings, photographs and drawings from the mid-19th century to the early 20th century. It explores the reaction of man towards modernity at the turn of the century.

The changing social and industrial landscapes of Paris in early modernity forced the artists to rethink their approach to portraying the visual world around them. Artworks from Paul Cézanne, Vincent Van Gogh, Edouard Manet, Claude Monet and many other great artists will be showcased.

Let's discover the exhibition with our guide Karine Hoffer!
