

Open position in the SAS Committee: Vice-President

Are you **Swiss national** and looking to extend your network, to be active in the Swiss community and to face a new challenge?

SAS is seeking a new **Vice-President** for its Committee! After Thomas Schwyter supported our committee for one year, we are facing another relocation and we would be happy to hear from You!

You bring:

- The motivation to actively contribute to the life of the Swiss Community in Singapore.
- The interest to represent the Swiss Association and the Swiss Community towards Singaporean and Swiss organisations.
- The dynamism to bring new ideas in the Associations and the willingness to make them happen.
- The readiness to support the Committees Members where help is needed.
- A broad set of skills going from networking to recruiting, organising to entertaining and enjoying this.
- Experience in handling social media and driving the SAS profile & engagement on such platforms for communication and promotion.
- Finally, the feeling of satisfaction when serving a rewarding community and pleasure when performing these activities.

We offer:

A diverse role that will require from you:

- To be exposed to the Swiss Community and beyond.
- To collaborate with other Swiss, Singaporean and International organisations.
- To deputise the President.
- To jointly run the Committee, its activities and meetings.
- To actively support the organisation of events and attend these.

This role provides you as well free space and, depending on your time and motivation, the opportunity

- To organise your own events.
- To support our sponsoring and fundraising activities.
- To dynamize SAS and the Community with new ideas and projects
